Phoenix is to be congratulated over the excellent manner in which it welcomed the delegates."—Republican.

Dix W. Smith, one of the best known out the best informed on irrigation natters, who is in the city as irrigation e, was agreeably surprised to find pix such a pleasant place and be gard to the irrigation congress, Mr. Dix stated yesterday in the convention that he had the pleasure last week of spendng a day in company with Presidentsay befor- the national irrigation consee that he sends a cordial greeting to convention and all efforts put forth by the body is the cause of irrigation his best wishes, and that during his despistration anything that would ome before him for the interests of the would receive his closest scrutiny and attention. - Republican.

Governor Franklin was conversing with two newspaper men on Washington street yesterday afternoon when au in-dilidual with a long-tailed coat and distillery breath approached and extended his hand in a familiar manner to the governor. "I am Dr. Robert Allen of governor. "I am Dr. Robert Allen of Pittsburg, champion tramp of the world," he said. The words were ut-tered with the thickness of speech that usually accompanies a "jag." He con-tinued: "I knew you were governor because you have blue eyes. I am de-lighted to have the honer of your ac-queintance." It was gleaned from him hat be was on his eixteenth annual tour America and be never pays his fare the railroads.-Republican.

N. H. Gardiner of Orange, California, is in the city and has on exhibiton at the beadquarters of the irrigation congrees a contrivance that is attracting much attention from farmers and those interested in irrigation. It is an auto-matic water gate for use in canals for the purpose of delivering a steady and even flow of water. The box is provided with two gates, one in f out and one in the rear. The water flows through a small orifice and rises to the level of a ther orifice pear the top of the box, the everflow falling late another box. If an unusual flow of water enters the box the secure releases a spring which operno matter how much water is in the canal the same amount can only flow through the gate. It is an invention that engineers have been working or for years. A California man named Besle is the inventor.—Republican.

BLACK JACK'S RANO

ed to be Disbanded and Seek

ing Salety. Word received in Tumbstone of the thereaboute of the Black Jack band is to the effect that that terrorizing band as pretty much disbanded and have left the territory.

After the Deer Creek fight Jesse Williams and one other of the band whose name te not known, left in one direction, and neither hide, hair or track of either of these have been heard of since, while Black Jack, whose horse was shot from under him, hid around until he could nake his escape. He flocked by himself, going toward Mexico. He was traced to different ranches and followed scross the line. Later he made tracks toward Nogales where it is presumed he and A. for a ride out of the comptry. It was known that he had considerab rictuals at the last ranch and was anxious of the whereabouts of his two pratners, being apparently as much at sea of their

ocation as the officers. The supposition that Black Jack had theguised himself and left Nogales on the train is arrived at by different facts raced to reliable sources, all of point to his intention of so doing. It is elieved be went to San Antonio, Texas. -Prospector.

GOING AFTER SETILERS.

Mr. Lupton Explains the Objects o the Aransas Pass Immigration Society.

Through the fertile resources and tire less efforts of General Freight and Passenger Agent E. J. Martin of the popular 'Mission Route," the San Antonio Araness Pess Immigration Association has at last been launched as a reality. It is everywhere being received with an proval and regarded by the cities in the San Antonio & Aransas Pass territory as one of the most promising plans for settlement of this section of the state yet put on foot.

Mr. George F. Lunton of the general assenger department of the road has ust returned from the forming of the esociation. In speaking of the project Mr. Lupton said:

"It is useless to say that Texas needs more active and thrifty seettlers. The time has come for aggressive measures on the part of railroad companies and the San Antonio & Araness Pass Company has instituted a policy which i carried out will be the means of pe-pling ts own line; not only this, the benefit by other railroads in the state.

We have no land to sell, but know of and evadicates which should be divided into small farms and placed on the mar of moderate means. Our object in forming the San Antonio & Aransas Pass Railway Immigration Association is to out ourselves in touch with all reliable real estate dealers and land owners having good land for eale on or tributary to "An association was formed having

FREE CURE FOR MEN.

A Michigan Man Offers to Send His Discovery Free.

ed Mankind

There is always more or less suspicion stached to anything that is offered free but sometimes a man so overflows with generosity that he cannot rest until his discovery is known to the world, in order that his fellow men may profit by what he has discovered. It is upon this principe that a resident of Kulamazoo Mich., desires to send free to mankind a prescription which will cure them of any form of nervous debility; relieves them of all the doubt and uncertainty which such men are peculiarly liable to and restores the organs to natural size and vigor. As it costs nothing to try the experiment it would seem that any man, suffering with the pervous troubles that usuelly attack men who never stop ped to realize what might be the final result, ought to be deeply interested in a remedy which will restore them to nearth, strength and vigor, without been informed, upon very reliable autho health, strength and vigor, without rity, that the most beautiful wares of all of untold misery. As the remedy in question was the result of many year research as to what combination who and placed on sale at L. Zeckendorf & Co'e, store, and that the people of Tucson are getting the very cream of the products of his country, to the sorrow of the many little pig-tailed children of the Flowery Kingdom. Go to the store of this enterprising firm, and you will agree with the celebrated Li Hung that the uttermost parts of earth have been raked with a fine toothed comb to bring the curosity, but that you wish to make use be peculiarly effective in restoring to raked with a fine toothed comb to bring joy and gladness to Tucson hearts. Open be answered promptly and without evidence as to where information came

The prescription is sent free and al on Friday—an unlucky day—you have though some may wonder how Mr. Olds had great crossess—got two bits about can afford to give away his discovery, you?" This was the usual preliminary there is no doubt about the offer being genuine. Cut this out and send to Mr.
Olds so that he may know how you came
to write him.

> This Is Your Opportunity. On receipt of ten cents, cash or stamps, a generous sample will be mailed of the popular Catarrh and Hay Fever Cure (Elv's Cream Balm) sufficient to dem strate the great merits of the remedy. ELY BROTHERS,

56 Warren St., New York City. Rev. John Reid, Jr., of Great Falls, Mont. ecommended Ely's Cream Balm to me. can emphasize his statement. "It is a noci tive cure for entarrh if used as directed."-Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

Ely's Cream Balm is the acknowledged cure for catarrh and contains no mercury or any injurious drug. Price, 50 cents.

**Ladies Who Value** 

A refined complexion must use Pozzoni's Pow der. It produces a soft and beautiful skin.

Harper's Bazar Many people wonder what Vintine is it is a Nerve Food; a Nutrine Tonic; Blood Cleanser. It is not a patent medicine, but is prepared only by the Vintine company. It creates a natural appetite for food, makes blood, strength one the nerves, and restores the system The BAZAR, a thoroughly up-to-date periodical for women, will enter upon its Thirtieth Volume in 1897.

As a Fashion journal it is unsurpassed, and is an indispensable requisite for every well-dressed woman, KATHARINH DE FOREST writes a weekly letter on current fashions from Paria, In New York Fashions, and in the fortnightly pattern-sheet supplement, ladies find full details, directions, and diagrams for gowns, wraps, and children's clothing. Sandox, Baudos, and Chapuis draw and engrave the newest and finest Parisian designs every week.

The serials for 1897 will be. THE RED BRIDGE NEIGHBORNOOD, by Maria Louise Poot, and Father Quinnallion, by Octave Thanet, Short stories will be constantly presented by brilliant writers, among whom are Mary H. Wilkins, Harrier Prescort Forproad, Marion Harlanh, Ruth McEners Forproad, Marion Harlanh, Ruth McEners Straar, Viola Roseboro, and Margaret Supron Briscor. [What Women are Doing in various parts of the Union will form a series of special interest. Other interesting features are The Out-door Woman, devoted to healthful sports and pastimes; Music, a weekly critical summary of music in New York: Amateur Theatricals, Embroidery and Needlework, Ceremony and Etiquette. Good Housekeeping, "What Grals are Doing," "Current Social Events," and Personals gleaned from original sources.

Women and Man. Colonel T. W. Hisginson will regularly continue his valuable essays.

Answers to Corrent Social Events, "and Personals gleaned from original sources.

Answers to Corrent Social Events," This column is conducted for the benefit and convenience of readers, and all questions received are answered in rotation, as promptly and fully as practicable.

Art. The BAZAR is a notable picture-galle-The BAZAR, a thoroughly up-to-date periodi-al for women, will enter upon its Thirtieth to its normal condition. It has received the very highest encomiums from people who have used it, and wins favor everywhere it is introduced. If you are suffering from any of the ailments which

## of bad digestion, you can be cured by the use of Vintine. This medicine can be procured from Fred Fleishman, druggist. Harper's Weekly
